HSSE Policy

Health, Safety, Security & Environmental Policy

Delaware Bay Launch Service, Inc. (DBLS) is committed to the safe and efficient operation of its vessels and shore side facility. Our goals are to prevent all accidents, injuries, occupational illnesses, security threats and to protect the environment. In order to achieve this we will:

- Promote HSSE on all vessels and facilities in the same way as any other critical business activity.
- Provide a safe and healthy work environment for all employees and customers with adequate vessels and facilities
- Identify and analyze potential hazards and security threats and implement measures to avoid, prevent, control and restrict associated risks.
- Be prepared for a quick and efficient response to emergency situations to minimize the potential impact of incidents should they occur.
- Build and maintain our vessels in a manner to avoid risk to people and the environment.
- Provide training and job specific education to all employees.
- Comply with all applicable laws and regulations and apply appropriate standards where respective guidelines do not exist.
- Encourage feedback from our employees and customers for continuous improvement.

DBLS's commitment to HSSE is shared by all our employees... Our goal is zero injuries, zero accidents, zero pollution and zero security breaches.

DBLS is committed to providing its customers with safe and efficient waterborne transportation.
